

# Returning to Work Expectations and Technology

1

## Tips for Success

All non-speaker lines will be muted during the presentation.

Enter all questions in the chat box; it will be monitored as we move through the presentation.

Slides will be shared following the session.

2

## Hosted by Rogue Networking

**Robin Chapekis**, SHRM-SCP, Founder and Consultant, SVELTE HR

**Guest Speaker**

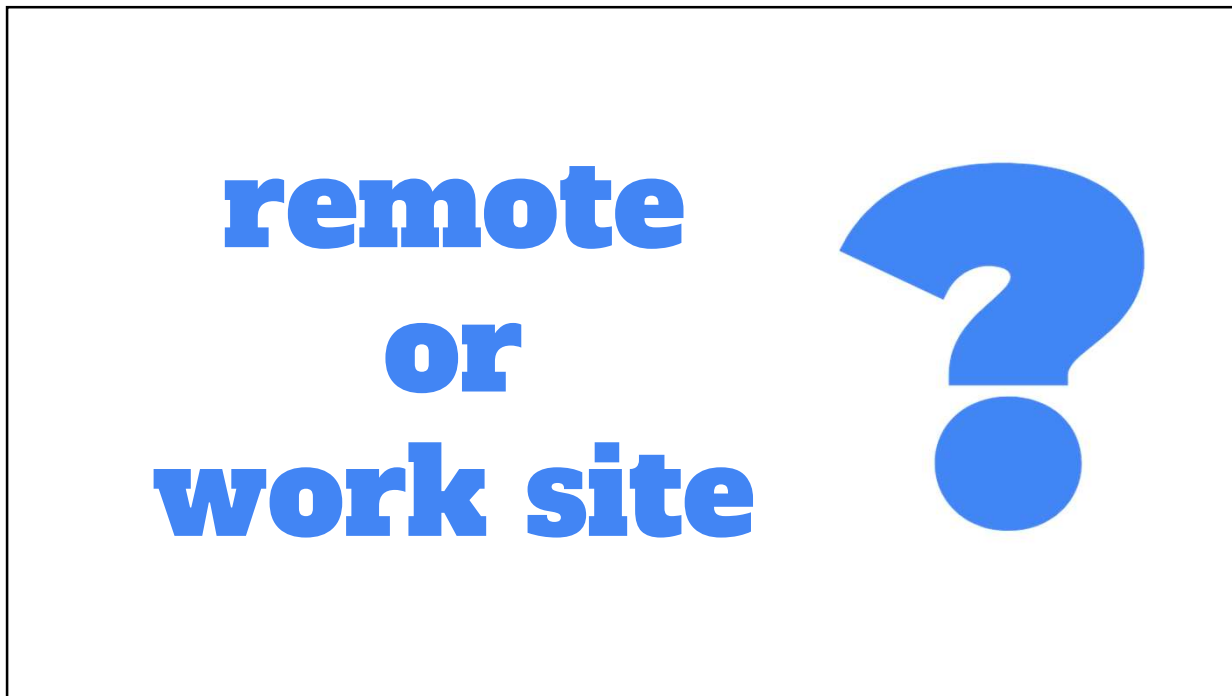

**Matthew Vazana**, VP and Co-Owner, CCS Presentation Systems-MI

3

# Working in the Next Normal

4

5

### **preparedness and response plan**

- non-medical PPE available for employees
- maintain social distancing through staggered shifts and break times
- provide training
  - infection control
  - use of PPE
  - reporting symptoms
  - reporting unsafe working conditions

\*\*\*This is a snippet of the requirements put forth in EO 2020-91. Please refer to that document for comprehensive guidance.\*\*\*

6

## **preparedness and response plan**

- develop and made readily available by June 1 or within two weeks of resuming in person activities
- cleaning supplies available upon employee entry
- implement protocols for disinfecting
- reporting of cases

\*\*\*This is a snippet of the requirements put forth in EO 2020-91. Please refer to that document for comprehensive guidance.\*\*\*

## ABOUT CCS

- ▶ Founded in 1991, CCS Presentation Systems has served customers in the corporate, government, hospitality, healthcare and education sectors for over 29 years. CCS has expanded from a two-person operation into one of the largest Audio-Visual integration firms in the U.S. with more than 350 employees and offices in 21 states.

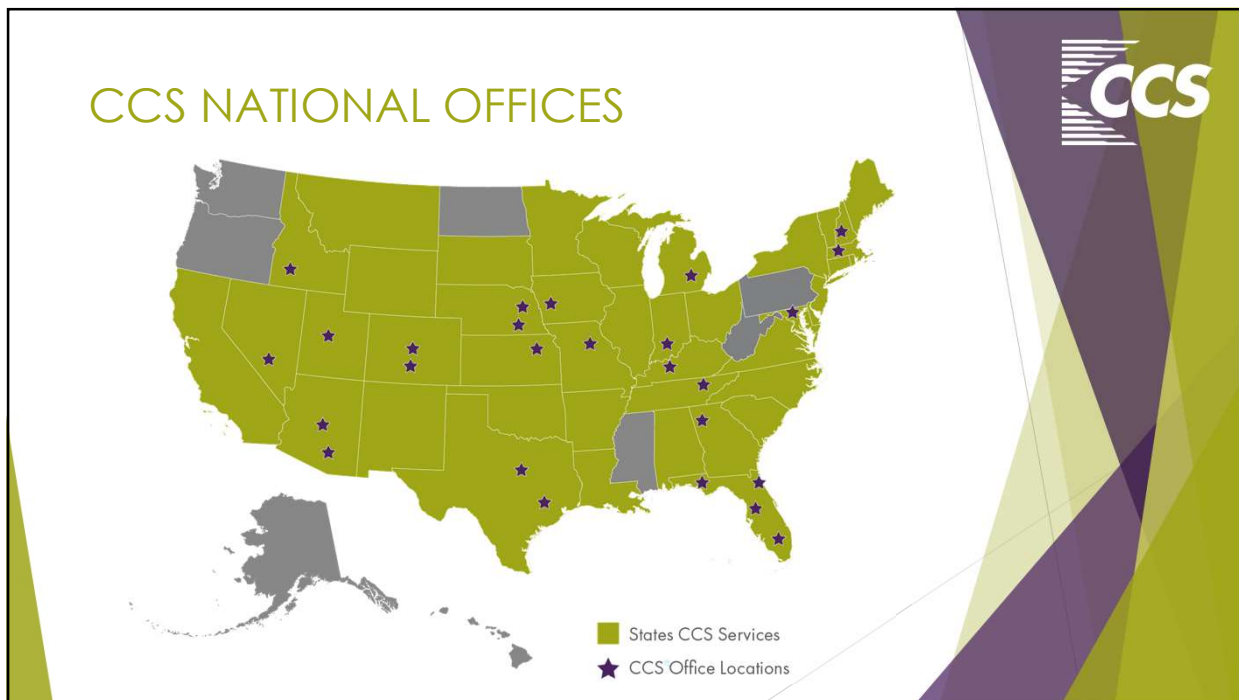

9

## Commercial Audio-Visual

- ▶ DESIGN
- ▶ ENGINEERING
- ▶ EQUIPMENT SALES
- ▶ INSTALLATION
- ▶ INTEGRATION
- ▶ TRAINING
- ▶ SERVICE

10

11

### Return To Work Protocols and Technology

## Work from home considerations

## Facility considerations

12

## Home / Remote Office Upgrades

- ▶ Lighting
- ▶ Webcams
- ▶ Microphones & Speakers
- ▶ Backdrops / Green Screens

13

## Considerations As Part Of Return To Work Protocols - Facility Layout

Employee Entrances / Exits	Guest Entrances	Lunchrooms	Lobby
Common Areas	Shared Work Areas	Bathrooms	Elevators

14

**BACK TO WORK SAFETY SOLUTIONS**

**TAURI NO TOUCH TEMPERATURE-CHECK TABLETS**

**1 SECOND NO-CONTACT TEMPERATURE SCAN FROM 3FT WITH +/- 0.5°F ACCURACY**

Add an extra layer of protection to your facility and help protect your most valuable assets – your human assets.

**BACK TO WORK SAFETY SOLUTIONS**

**Goodview**  
A CVTE COMPANY

**Temperature Scanner Kiosk with Facial Recognition**  
Dynamic Detection Display™ Line

**SV1080-W**  
Temperature Scanner Kiosk with Wall Mount

**SV1080-T**  
Temperature Scanner Kiosk with Table Stand

**SV1080-F**  
Temperature Scanner Kiosk with Floor Stand

**CCS**

17

**Why Invest in No Touch Electronic Temperature Measurement?**

- ▶ Interested in the health and safety of your employees & guests
- ▶ Risk Mitigation - Proactive measures
- ▶ Add an extra layer of protection to your facility
- ▶ To help ensure people running a high temperature are identified
- ▶ Most hygienic with non touch infrared technology
- ▶ More cost effective than hiring individuals
- ▶ Multiple Devices can be monitored by a single user

18

## Additional Technology Options

- ▶ Access control Systems
- ▶ Camera Systems
- ▶ Virtual Receptionists
- ▶ Automatic Doors
- ▶ Digital Signage
- ▶ Digital Directories & Wayfinding

19
